An Overview & Introduction

Bhumi Tour & Travels has established in 2003 when we have started as a very small platform and with our customer satisfaction and their support we achieve all the targets of the company

Introduction

We take this opportunity to introduce ourselves as one of the leading fleet owners in Delhi & NCR, Tour operators render tours all over India for the past one decade with a renowned name in the transport business. At present we provide Total customized solution to the companies for movement of the personnel of the companies in most cost effective and efficient manner without compromising the comfort and efficiencies of the modern day requirements. Bhumi Tour & Travels (P) Ltd. is an organization with commitment to consistency performance and innovation with over 17 years of experience in the field of car rental and Employee transportation services.

Fleet Section:

At present we have fleet of over 102 vehicles including top of the line Merc E class & S Class, BMW 5 & 7 Series, Toyota Innova Crysta, Toyota Camary & Altis, Toyota Fortuner, Maruti Ertiga & Dzire, Hyundai Xcent, Honda City, Tempo Traveller, Buses and many more.

Electric Vehicles (EV) - The Indian automotive segment has also taken the first step towards its autonomous future. With the right mix of such hype and incentives, we might witness EVs becoming more popular. There are several reasons for a positive outlook despite 2020 being the year when growth in the EV market slowed globally, largely due to the pandemic-induced lockdown. If we got the opportunity, we are ready to add the current available Electric Vehicles into our fleet.

Key for the success to Bhumi Tour & Travels (P) Ltd. has been the ability to provide the services at very competitive rates arrived because of our low cost efficient organization structure.

We have been providing services for movement of personnel for twenty-four hours a day seven days a week.

Our teams of staffs are well qualified and experienced to provide a prompt service as per your requirements.

How We Work

We work on the same pattern outside the company boundary as the companies transport department works inside the company premises. Our Team is well educated and have the ability work 24*7*365 days.
